

SEACOAST REGION CAMPING

Don't Move Firewood! To protect our woods and your vacation spot, the Old Stage Campground has taken a strict stand on the moving of firewood.

Absolutely no firewood of any type, from anywhere, can be brought into the Old Stage Campground by campers. The Old Stage Campground defines firewood as any type of wood that you will burn in a campfire or wood stove. This has been a decision that was made after many discussions with state and federal forestry experts, bug experts, campers, and other campgrounds. Your cooperation in this matter is greatly appreciated. We apologize for any inconvenience, and any further questions may be directed to the office staff.

Important facts:

ONE: If the bugs invade our forest, they will cause extensive damage!

TWO: It has been proven that the most common way for the bugs to travel is by firewood.

Our policy is very strict because it is not feasible to verify the source of every piece of wood that may be acceptable. Below is a list of FAQs and their answers

1. We live in NH, can we bring firewood? NO
2. We live within 50 miles of Old Stage Campground, can we bring our firewood? NO
3. We live in Madbury, can we bring firewood? NO
